## Über uns

**Einzigartig** 1998 gegründet als selbständige

Tochterfirma der Traditions-Glashütte Walther-Glas waren wir schon damals „die jungen Wilden“ im Hause. Und diesen Ruf haben wir uns bewahrt. Zeitlos und doch funky. Dank unserer Kunden ist es uns gelungen, die Marke LOVE PLATES im Markt zu etablieren.

LOVE PLATES sind das Synonym für modernes vollfarbiges Glas. Niemand sonst auf der Welt bietet diese Verbindung von Qualität, Sortimentstiefe und -breite. Mehr als 40 Farben laden ein, der ganz persönlichen Kreativität freien Lauf zu lassen. Das macht uns einzigartig.

**Unique** Founded in 1998 as an independent subsidiary of the traditional German Walther-Glas glassworks, we have been the “Wild Bunch” from the outset and have maintained this reputation until today. Timeless but funky. Thanks to our customers we have succeeded in establishing the brand LOVE PLATES in the market. Nowadays LOVE PLATES is synonymous with modern, full colored glass. No-one else in the world currently offers this combination of top quality and extensive variety of colors and products. More than 40 colors invite you to give free rein to your own personal creativity.

This is what makes us unique.

## Unser Urgestein The cornerstone

Frei gepresst, denn wir mögen keine Zwänge. Jedes Stück ein Unikat. Unsere Farben sind umweltfreundlich und lebensmittelecht. Und gegen Kratzer haben wir einen zusätzlichen Schutzlack entwickelt, der seinesgleichen sucht.

Ob als Ergänzung zu klassischem Porzellan oder pur: Gib jedem Tag ein neues Gesicht, denn er hat es verdient.

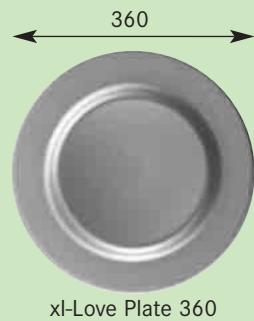

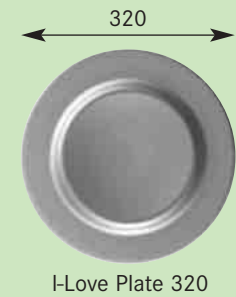

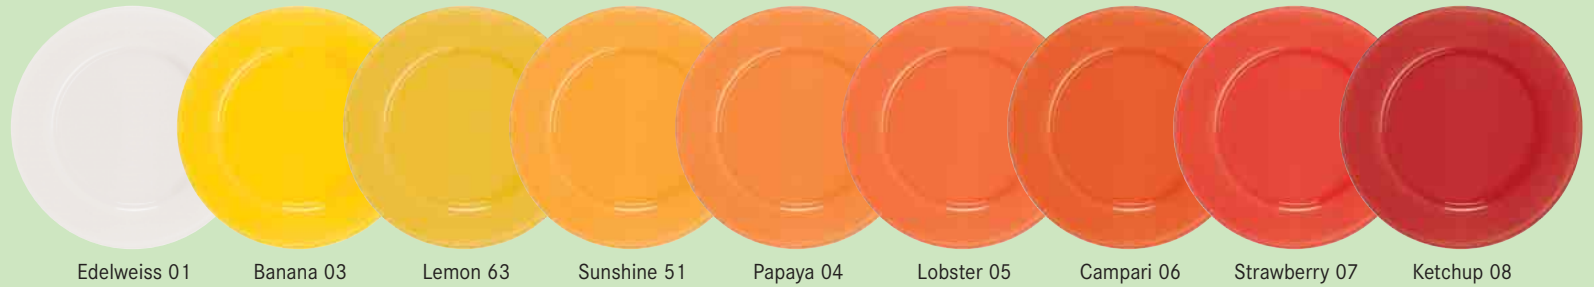

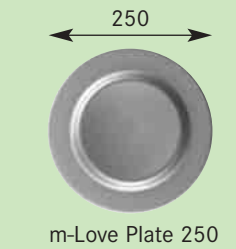

Free pressed, because we don't like constraints. Each and every piece is unique. Our colors are environmentally friendly and food-safe, and we have developed an additional protective coat against scratches which is without equal.

Whether as a complement to traditional porcelain or pure: Give every day a new look because it deserves it.

**Puzzle – mal anders**

**Puzzle – with a difference**

**Es darf gespielt werden!** Die drei Love Dip Formen **150, 175** und **220** sind nicht nur in der Kombination ihrer selbst der Renner des Abends. Im Zusammenspiel sind Ihrer Phantasie keine Grenzen gesetzt. Sammeln und erfinden Sie immer wieder neue Formen, wie z.B. den Fisch, die Rakete, die Sonne, Ying und Yang oder oder oder...

Mit der **Love Dip Bowl 315** entscheiden Sie sich für das coole Centerpiece auf Ihrem Tisch. Ob als Obstschale, mit Dekosand und Muscheln oder mit Wasser und Schwimmkerzen - ein Hingucker!

Warum langweilen sich Baguettes und Sandwichs immer auf so fadem Untergrund? Das muss doch nicht sein! Mit dem **Love Dip Oval Platter 405** wird's bunt. Lachsbrötchen auf Lobster oder Papaya, Kräuterbaguette auf Lime oder Apple...

**mmmhhh! Lecker!**

**You can join in too!** The three Love Dip dishes **150**, **175** and **220** are the blockbuster of the evening, but not just combined on their own. The three dip dishes are not only winners as compositions of the single styles. Used in combination with each other, there are no limits to your imagination. Collect and discover new dishes time and again, for example the fish, the rocket, the sun, Ying and Yang, etcetera...

With the **Love Dip Bowl 315** you opt for a cool table centerpiece. Whether as a fruit bowl, filled with decorative sand and shells or with water and floating candles, it's a real eye catcher!

Why do baguettes and sandwiches always have to look so boring on a dull background? It doesn't have to be like that! The **Love Dip Oval Platter 405** will brighten things up. Salmon rolls on lobster or papaya, garlic bread on lime or apple...

**mmmhhhh! Yummy!**

## Auf den Punkt gebracht

Zeitgemäß frische Punkte, in denen sich die Basic-Farben widerspiegeln. Erhältlich in zwei Teller- (als Servier- und Kuchenteller) und drei Schalen Größen (Müsli-, Salat- und Servierschüssel). Sie lassen sich hervorragend mit den Love Plates kombinieren, machen aber auch als Einzelobjekte eine perfekte Figur. Gibt's in funny/funky oder sophisticated Design. Wer es etwas weniger farbenfroh mag, kann mit den Tone-in-Tone Shakes die Bälle tanzen lassen.

**Deshalb sind Love Shakes die ideale Geschenkidee!**

## Getting to the point Love Shakes

Contemporary fresh dots reflecting the basic colors. Available in two plate sizes (cake plate and serving platter) and three bowl sizes (cereal, salad and serving bowl). They are fantastic for combining with the Love Plates, but also look great on their own. Available in funny/funky or sophisticated design. Those who like it less colorful can juggle with the Tone-in-Tone Shakes to produce a really impressive effect.

**This makes Love Shakes the ideal gift idea!**
